

Learn At Your Own Pace!

Our platform provides a virtual workspace for students to collaborate on a wide range of projects and assignments. With features such as document sharing, real-time editing, messaging, and video conferencing.

Our platform makes it easy for students to work together seamlessly, regardless of their physical location. By facilitating collaboration, we encourage teamwork, idea sharing, and feedback, which are essential for developing critical skills such as communication, problem-solving, and creativity.

E-Student offers Features such as:

- Chatbox
- Forum
- Portal for document upload
- Attendance and progress reports
- Zoom Integration for online classes.
